## **Global Entry Enrollment Event to be Held at Des Moines Airport**

**Des Moines, Iowa (April 30, 2018)** – The Des Moines Airport Authority is hosting an enrollment center and registration event for candidates of the [Global Entry](#) program, which allows members to bypass passport control lines and paper customs declarations when traveling internationally. This is only the second time the Des Moines Airport has provided this registration availability – the latest offering to make the travel experience even more convenient.

“The Global Entry program is for anyone who has ever wanted to skip the lines at customs and border control, and wasn’t able to apply the first time we hosted this event back in December,” said Kevin Foley, executive director, Des Moines Airport Authority. “This second opportunity stems from a great program put together by the U.S. Customs and Border Protection and assists frequent travelers to expedite their international travel, with an added bonus of automatic TSA PreCheck registration.”

Beginning today through May 31, applicants can submit their online application to be a member of the Global Entry program. If approved, the \$100 membership is valid for five years. After submitting an application, U.S. Customs and Border Protection will contact Global Entry candidates to set-up a brief, in-person interview to confirm the details of their application at the Des Moines Airport between June 12-14, 2018.

To learn more about the Global Entry program or to begin the application process, visit the [Global Entry Application Guide](#) on the Des Moines Airport Authority website.

### **About the Des Moines Airport Authority**

The Des Moines Airport Authority is an independent entity that oversees the operations and maintenance of the Des Moines International Airport. The Airport Authority works to improve the quality of air service and make air travel to and from Des Moines more convenient and pleasurable.
